

Las Vegas 2006 2nd Annual Ride for Kids® Sponsorship Opportunities

Thank you for your interest in our Las Vegas 2nd Annual Ride for Kids to support the Pediatric Brain Tumor Foundation.

Thanks to a dedicated task force, this event, currently held in 36 other major cities, will be held here on **October 1, 2006** starting at the LV Motor Speedway.

Anyone on the Task Force will tell you that it was an easy decision to commit their time, efforts and money when they learned the great strides that have been made for children everywhere by the Foundation. In the 1980s when the group began, the life expectancy of a child diagnosed with a brain tumor was about 5 months...today 51% of those children diagnosed live five or more years longer.

We would like your help to make those odds even better by being a Las Vegas Friend Sponsor.
